#### Part III DETAILED ACTION

## Notice to Applicant(s)

1. This application has been examined. Claims 21-50 are pending.

### **Priority**

2. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

## Information Disclosure Statement

3. The references listed in the Information Disclosure Statements dated 12/10/99 and 5/25/01 have been considered by the Examiner and is attached to this Office Action.

## Claim Rejections - 35 USC § 112

- 4. The following is a quotation of the second paragraph of 35 U.S.C. 112:
  - The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
- 5. Claims 21-50 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

With respect to claim 21, it is unclear to the Examiner whether "an image" in line 3 of the claim is the same "an image" in line 6 of the claim.

This rejection also pertains to claims 23-25, 28-32, 34-41, and 43-50.

Application/Control Number: 09/458,882

Art Unit: 2626

6. Claim 21recites the limitation "said image reader/recorder" in line 3 of the claim. There is insufficient antecedent basis for this limitation in the claim.

This rejection also pertains to claims 23-25, 28-32, 34-41, and 43-50.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark E. Wallerson whose telephone number is (703) 305-8581. The examiner can normally be reached on Monday-Friday - 6:30-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kimberly Williams can be reached on (703) 305-4863. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
